1. INTRODUCTION

The main purpose of College Website is to design, publish and to maintain a website for our college, which consists of all the information regarding College like infra structure, admission, academics, placements, about, contacts, etc.

Fig 1: College Website

Today all the work at the time of admission of the students is done manually by link and paper, which is very, slow and consuming much efforts and time. It is required to Design of Computerized Management System, to speed up and make it easy to use system. It reduces the manpower needed to perform the entire admission and administration task by reducing the paper works needed. The main goal of the system is to automate the process carried out in the organization with improved performance and realize the vision of complete paperless work.

SCOPE

It is more efficient and convenient for the colleges. It reduces the man power needed to perform the entire administration task by reducing the paper works needed. if all the work is done by the computer there will be no chance of errors and moreover storing and retrieving of the information is easy, so work can be done speedily and in time.

ADVANTAGES

- Easy to navigate
- Providing all the comprehensive information about the college
- Flash items are provided wherever necessary
- All the nostalgic images are provided in the gallery

GLOSSARY

TERM	DEFINITION
HTML	Hypertext markup language
My SQL	My SQL
CSS	Cascading style sheet
PHP	Program hypertext preprocessor

2. MODULES

2.1 HOME PAGE:

It is a basic page which provide complete access of different portals and gives a basic info of the college and achievements, events, campus life etc....

<div><p>Established in 1979, NBKR Institute of Science & Technology is an Autonomous Institute affiliated to JNT University Anantapur. This Institute is reaccredited by NAAC (UGC) for the second cycle with "A" grade. All B.Tech. courses are accredited by National Board of Accreditation (NBA) under Tier 1. UGC awarded the status of "College with Potential for Excellence (CPE)" to our Institute.

The institute offers B.Tech. programs in Computer Science & Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Mechanical Engineering, Civil Engineering, and Information Technology. M. Tech. programs are offered in Power Systems, Computer Science & Engineering, Digital Electronics & Communication Systems, Advanced Manufacturing Systems. The institute has an R&D Cell and recognized research centers of JNT University Ananthpuramu offering Ph.D. programs.

Guest lectures are regularly organized on latest trends by eminent industry experts, Entrepreneurs and HR managers.

The institute is spread across a lush green 184-acre campus that houses academic blocks, Boys and Girls hostels, Open air auditorium, sports complex, staff quarters etc. The Institute focuses on skill and professional development of the graduates through student run clubs, technical associations. Professional chapters like IEEE, ISTE, IETE, CSI exist in our Institute.

Department laboratories and Computer Centre has state-of-the-art equipment to fulfil the needs of the researchers, students, and faculty. The central library is well-stocked with books, journals, magazines, and newspapers. It subscribes thousands of e-journals, e-books. The e-resources can be accessed through the campus network.

There are adequate opportunities for co-curricular and extra-curricular activities helping students gain overall skills. Industrial visits and relevant field visits expose the students to hands-on learning experience.

Industry Institute Partnership Cell (IIP Cell) caters the needs of the Institute and Industry by way of internships, consultancy. I Gopal Reddy, Founder Principal, Former Vice Chancellor, JNTU is the current chairperson. Dr Pokkuluri Kiran Sree is the former principal of the institute. Entrance of Admin,Electrical Engineering block V Vijaya Kumar Reddy is the director of the institute. Spread over 185 acres (75 ha), the college is a fully residential college and is located on the bank of river Swarnamukhi and is on the coastal line of Andhra Pradesh. The college was accredited by NBA four times. It is reaccredited by NAAC with A Grade. It was given Autonomous status by UGC, New Delhi from the Academic Year 2012–2013. There are four boy's hostels (Venus, Jupiter, Mercury, and Neptune) and two girl's hostels and 72 residential quarters for the staff.

The Institute is spread across a lush green 184-acre campus that houses academic blocks, Boys and Girls hostels, Open air auditorium, sports complex, staff quarters etc. The Institute focuses on skill and professional development of the graduates through student run clubs, technical associations. Professional chapters like IEEE, ISTE, IETE, CSI exist in our Institute.

DIRECTOR

Vijay Kumar (born 12 April 1962) is an Indian roboticist and UPS foundation professor in the School of Engineering & Applied Science with secondary appointments in computer

and information science and electrical and systems engineering at the University of

Pennsylvania, and became the new Dean of Penn

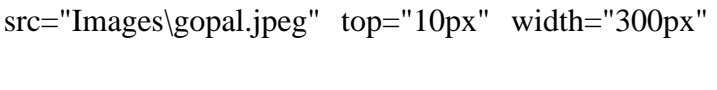

B.Tech., Mechanical Engineering, Indian Institute of Technology, Kanpur, India, May 1983

M.Sc., Mechanical Engineering, Ohio State University, Columbus, Ohio, March 1988

Ph.D., Mechanical Engineering, Ohio State University, Columbus, Ohio, September 1987

Dr.I.GOPAL REDDY

Dr.I.Gopal Reddy,Former Vice Chancellor, JNTU Chairman, NBKRIST.
MESSAGE: It is an occasion to appreciate our entire faculty and students for launching college newsletter. I consider this wonderful opportunity, privilege and honor to lead such progressive educational establishment.

```

```

<hr>

```

```

<p>NBKR Institute of Science & Technology offers 4 year Undergraduate Programme in Engineering (B.Tech),2 year Postgraduate Programme in Engineering (M.Tech) and Doctoral Program in Engineering(PhD), The admission into the B.Tech courses except Category-B Seats is through a State-Level Entrance Test called "Engineering, Agriculture and Medical Common Entrance Test" (EAPCET) conducted by the Government of Andhra Pradesh.</p>

```

```

<br>

```

```

<p>70% seats are allotted by the Convenor, EAPCET and the Remaining 30%(Category-B)are filled by the apsche based on the Rank obtained in JEE Mains or EAPCET or Intermediate marks. Sanctioned Intake for the The College from the Academic Year 2021 - 2022 :: 960</p>

<p>Training Programs for GATE and Technical Training in C, Java & Python are being conducted regularly to the final and Pre-final students of all classes along with Campus Recruitment Training Programs to impart competitive skills, communication skills, mock Interviews and Group discussions techniques.</p>

<p>Around 30 companies from both software and core visit the college every year. The average salary during the present academic year is 3.05 Lakhs with highest being 6.00 Lakhs per annum.</p>

<h2>OBJECTIVES</h2>

 To showcase NBKRIST as the placement destination for all the corporate companies.

To impart the technical and soft skill training programs to enhance the employability skills of the students.

To conduct more Industry-Institute-Interaction.

To keep self-targets for increasing the number of Companies to be visited (previous Placement number).

To encourage students to participate in paper presentations, seminars, workshops and conferences.

Scheduling Campus Training programs from 1st year to prepare students to cater according to the corporate needs & requirements.

To invite corporate people to set up their “Centre of Excellence” in the college.

<h2>INDUSTRY INSTITUTE INTERACTIONS</h2>

Dassault Systems authorized Academic certification center.

Aveva certified as “Center of Excellence”.

APSSDC Certified as CMs skill Excellence center.

D-Link Academy as “Center of Excellence” for Networking.

HUAWEI as “Center of Excellence” for wireless Networking.

MOU with GTT on Soft Skill Training program.

MOU with PRIME MEDIAN for Japanese Skill Transfer program.

MOU with RED HAT Academy on Industry Academia interaction program.

MOU with APITA on Industry Academia interaction program.

NBKR Institute of Science and Technology is a private autonomous institution established in the year 1979. It is also known as NBKRIST. The college is affiliated to Jawaharlal Nehru Technological University, Anantapur. The National Assessment and Accreditation Council (NAAC) has accredited the institute with an ‘A’ grade. It has been granted ‘College with Potential for Excellence (CPE)’ status by the University Grants Commission (UGC). The campus of NBKRIST is spread over an area of 184 acres and it has a total of 204 faculty members. As per the official website of the college, its mission is to develop effective learning skills enabling students to pick up critical thinking thus crafting them professionally fit and ethically strong.

```

</p>

```

```

<p>

```

The college offers B.Tech, M.Tech. and Ph.D courses. All the Bachelor of Technology (B.Tech) courses of the institute are accredited by the National Board of Accreditation (NBA). NBKRIST accepts AP EAMCET scores for admission to B.Tech courses. The college offers its courses in full-time mode. To provide industrial training to the students, the institute has collaborations with numerous corporations. The training and placement cell of NBKR Institute of

Science and Technology offers a large number of placement and internship opportunities to the students. The campus of the institute has modern and upgraded facilities & infrastructure for students and faculty members.

</p>
